To all Locale Cabanes who must complete this form, we, of the Grande Cabane, truly extend our sympathy and regret the passing of a Dame. It is sad to lose a member that we have grown to know and love. They will be missed, but never forgotten. Each Rendezvous has written into the Ritual a special remembrance, in silent moments for our departed Dames. They will be honored during Memorial Services at both Nationale and Grande Rendezvous. They can never be replaced, but we can be better people for having had the privilege of knowing them.

Thank you very much for your co-operation. It takes us all to keep La Societe de Femmes running smoothly and operating efficiently.
