Voyageurs All,

The attached report documents an increase from 92 to 138 submittals to the PR Committee. A very nice increase over a one-month period. I want to acknowledge the hard work of Area 2 Sous Directeur Paul Yager and Area 3 Sous Directeur Grant Willis who rooted out many of the new submittals. Area 4 is finally on the report – kudos to Don Reed!

So where are we now?

- Area 1 still has no Grand or Locale submittal from 6 Grands.
- Area 2 still has no Grand or Locale submittal from 9 Grands.
- Area 3 still has no Grand or Locale submittal from 5 Grands.
- Area 4 still has no Grand or Locale submittal from 9 Grands.

These 29 Grand Voitures have a total of 148 Locales! That is 177 entities that do not have or have not submitted a website, Facebook page, newsletter or news release!

**TIME TO WAKE UP AND GET  
 ON WITH THE PROGRAM!**

Yours in service to la Société,
