

Forty and Eight 2016 – 2017 REPORTING OF ACTIVITIES

I hope every Voyageur Militaire will report their activities to their proper Locale Directeur and/or Locale Correspondant. Please report the activities that you did from **June 1, 2016 until May 31, 2017**. If you did not record your activities daily, you can make a low estimate and report that.

Here are just a few examples of what can be reported. Every hour that you fly the American Flag at your home can be reported under FLAG ACTIVITIES. Every 40&8 Promenade/Meeting/Wreck you attend can be reported under COMMUNITY ACTIVITIES. Any other community/veteran organization you attend can be reported under COMMUNITY ACTIVITIES.

You can find most report forms at **www:illfortyandeight.com**, click on Visit 40etNational, go to Resources, click on Forms & Petite Communique, scroll down to 2017 Petite Communique and click on the form you desire. Then save it to your computer, fill in the blanks and turn it in to your Locale Directeur and/or Locale Correspondant. They should combine all Voyageur reports and send them to the proper Grande Directeur.
