

ROLL CALL

HONORING THOSE WHO "SERVE AND PROTECT"

We are approaching the close of our 4th year for the Blue Chevalier Project. With 350 members across La Societe, with a great number of law enforcement officers receiving community recognition from Locales and with \$6,000.00 having been provided to date to the Law Officer of the Year - most would agree it has been a successful and worthwhile effort in recognizing our comrades in blue. If we look back at this past year alone and even more recently - we see the issues facing law enforcement across the board and to be specific, Border Patrol and ICE Agents. Criticism of our law enforcement officers has increased in the media as well as on our streets with activists and instigators - now we need Blue Chevalier more than ever.

As a member it is upon you to renew - we have a great deal of ten years for \$45.00. PUFL is only 75.00. It would be a sham if you are a charter member to let your membership lapse. If you are a member in good standing, we have the expectation of your continued support, spreading the word on us and encouraging membership and hopefully recognizing local law enforcement. The Blue Chevalier Committee stands ready to offer any and all support from membership, to merchandise, to guidance and help in identifying and rewarding those in blue.

Another three months have passed and the fate of the Blue Chevaliers is still uncertain.

The Nationale Call for Program Directeurs nominations has been issued and a red note (potentially) follows the Blue Chevaliers. I assume that this means the fate of the "Program" remains uncertain.

We have received three more requests for certificates honoring local Law Officers and they are in process.

As we witness the lawlessness being perpetrated upon our ICE Agents and other Law Enforcement aiding them, it is important that we honor as many of them as possible. The Award proposal for is on page 3!
