Greetings fellow Voyageurs

Well old man winter has finally loosened its grip on us here in the midwest. Unfortunately it also brought tornadoes in Michigan yesterday. Which brings me to our Nationale Child Welfare Directeur Tim Evans March message. Reaching out to the children that have been affected by these natural disasters. Utilizing the Ardery Trust Fund for such disasters can help a Locale when such a need arises. On a different note we have sold out last year's pins and will be purchasing new ones soon along with our shirts. Everyone have a safe St Patrick's Day and keep working hard for our Great Child Welfare Program! In your service Norm Crawford Sous Nationale Child Welfare Directeur Central Region
